Welcome

Caribeae Swimming Club extend a warm welcome to 2026 BEEF CITY for all swimmers, families, clubs, and supporters**.**

Thank you to all who have made the effort to travel for this meet – your support and involvement are critical to this event. We have Swimmers & Clubs converging on Rockhampton for one of the top CQ meets; with nominations from as far south as Bundaberg right up to Mackay in the north, and west to Barcaldine. We have hundreds of swimmers ranging from 4yo Novices to our 30yrs+ Masters competitors, with plenty of talent in the pool. 2026 BEEF CITY promises to be an excellent event.

We wish the very best to all swimmers across these two days, with our major aim of delivering a meet that provides all competitors with an ideal opportunity to achieve their goals, enjoy their swimming, and compete in a safe environment. We appreciate Rockhampton Regional Council and Splash Aquatics for access to this excellent facility.

Caribeae are very fortunate and grateful this year to benefit from event sponsorship through **Rockhampton Regional Council's COMMUNITY ASSISTANCE PROGRAM**. Our club are greatly appreciative of this support from RRC and the impact they are making for our youth athletes and the wider community. We also thank **Frenchville Sports Club** for their contribution to our meet this year through their Community Partnership Program. Support from these local organisations greatly improves the service that Caribeae can provide to our members and the wider swimming community.

Caribeae Swimming Club are also very grateful for the support given by the Rockhampton Community through various sponsorships, and without the valued contributions from our in-kind and financial sponsors this event would not be possible. Caribeae believes in strongly supporting local sponsors and encourages competitors and their families to do the same. Please view the sponsor pages for our full list of valued financial supporters.

The event would not be possible without our CQ Referees & Officials, and we thank them very much for their services and support to Caribeae Swimming Club. Thank you also to the many Caribeae committee members, parents and volunteers who give their time throughout the meet and in the lead-up to the event. We also sincerely thank all volunteers who have contributed throughout the day – the successful running of the meet relies strongly on input from a wide range of attendees.

Our club wishes all those in attendance a fantastic weekend of enjoyment and competition. And to all who have travelled to be here, a safe trip home.

President, Caribeae Swimming Club

CELEBRATING 40 YRS CARIBEAE SWIMMING CLUB SINCE 1988

David Milburn "TOP GUN" Event

David Milburn had a very successful swimming career. He started swimming at a very young age, and during his youth David achieved National Level in the pool & National Champion in the Belt Race (surf swimming).

In 1986, David with his wife Margaret, purchased Caribeae Swimming Academy after teaching his four children to swim. Through his passion & love for the sport, David went on to establish programs for learn to swim as well as coaching squads.

David Milburn's swimming career saw him earn Gold Level coaching status, developing both Olympic & Commonwealth Games swimmers. We can thank David for the influence & legacy his coaching has had on both Caribeae & CQ coaches.

He is recognised for his commitment to the swimming community with Life Memberships for both Central Queensland Swimming, where he served as President for several years, and Swimming Queensland.

David is known for his love of challenges, and through this he developed the Beef City program which stands to this day. Beef City has been a major meet on the CQ calendar for many years, and the Claiming Races in particular show his eagerness to challenge competitors not just to touch the wall first but to push themselves against the record books.

In an opportunity to acknowledge his passion, commitment & dedication to swimming, particularly the Caribeae Swimming Club, the Beef City Top Gun event is named in David Milburn's honour.

Kudos Mr Milburn. Always in our thoughts.
