President's Welcome

On behalf of the Biloela Amateur Swimming Club, it is my privilege to welcome you to the 2026 Biloela Open Preparation Meet at the Biloela Aquatic Centre. We are delighted to host swimmers, families, coaches, officials and supporters from across Central Queensland and beyond for a Friday evening and Saturday of racing. This meet celebrates not only competition, but also the commitment, resilience and friendships that make our sport so rewarding.

We have been thrilled with this year's strong nomination numbers. They show the depth of talent in our region and the enthusiasm swimmers and clubs bring as they prepare for the season ahead.

Events like this are only possible because of the dedication of so many people. To our sponsors, volunteers, committee members and visiting clubs, thank you for the time, energy and expertise you give to our swimming community. A special thank you also goes to the CQ Swimming Technical Officials, whose professionalism and commitment keep the meet running smoothly and fairly. Your contributions create opportunities for young athletes to grow, compete and thrive.

We also extend our sincere appreciation to the Biloela Aquatic Centre and Splash Aquatics for their ongoing support of our club and this event. Thank you to Coach Jared, whose commitment to developing disciplined, resilient and hardworking swimmers continues to play an important role in shaping confident young people who strive for excellence.

As a regional community, we know that success is built through dedication, perseverance and the willingness to embrace every opportunity. We are proud to play a part in helping young people pursue their goals in swimming and in life.

Thank you for joining us at the Biloela Open Preparation Meet. Whether you are chasing a personal best, racing for your club or simply enjoying the experience, we wish you a fantastic two days of racing.

Good luck to all competitors!

Meet Information for Participants

TENTS/MARQUEES

As Host Club Biloela Swimming Club will be seated in the area marked on the facility map. There is limited grandstand seating available. Clubs are responsible for providing their own tents/marquees. We recommend that everyone bring some form of shade as we cannot guarantee a shady spot.

TIMEKEEPING

Each Club is allocated lanes for timekeeping in accordance with the number of competitors nominated. Clubs are asked to please supply the number of timekeepers indicated. Should your club be unable to supply timekeepers for your given time slot please report to the Announcer's Tent as soon as possible so a replacement may be found. Clubs not listed may be called upon for replacements when necessary.

Note: Due to recent changes to Child Safety Legislation all attending Clubs must collate a roster of all their timekeepers for this Swim Meet. The roster must include the timekeeper's ***name***, ***address*** and ***phone number***. A copy of this roster must be kept by the Club and supplied to Biloela Swimming Club upon request.

SELF-MARSHALLING

Self-marshalling will be in place for this event. For 25m and 50m events, swimmers will enter the pool deck closest to the tennis courts as identified on the Facility Map and self-marshal behind the blocks. For longer distance events, there will be a marshalling tent area set up beside the Records Office.

To self-marshal, swimmers follow the below steps:
1. Enter pool deck according to the heats as mentioned above
2. Proceed to the lane they're allocated
3. Move progressively forward, with the other swimmers in their heat.

During the event, swimmers can approach the Chief Lane Marshall (located on pool deck at the start end) for assistance as required or ask their club manager or coach. To assist in this process, we recommend swimmers arrive on the day prepared with the following information they will need for self-marshalling:

- Event number/s
- Heat number/s
- Lane number/s

It is also a good idea for swimmers to write all event/heat/lane numbers on their arm, in that order.

CANTEEN

A canteen will be open for breakfast and food throughout the day. EFTPOS available (no cash out facilities).

25m POOL and WADING POOL

<u>The use of the 25m and wading pool is strictly prohibited.</u>

Warm-Up Procedures

Coaches shall cooperate by giving every competitor the best opportunity possible to prepare for his/her events. Warm-ups for the Friday will commence at 5.00pm and conclude at 5.45pm. Warm up time for the Saturday session will commence at 7:30am and conclude at 8.15am. Warm ups will be conducted in the 50m pool.

At the conclusion of the warm-up periods, Coaches shall cooperate by having their team members leave the pool promptly when requested to do so. The interval between having to clear the pool and the commencement of the meet is required so that the pool can be prepared for competition. In the interest of all swimmers' safety, the following pool procedures must be observed throughout the warm-up periods.

- Lanes 1 & 8 are reserved through the whole of the warm-up period for 25 metre sprints with a dive entry from the starting end of the pool.
- Lanes 1 & 8 may be used for short 15 metre sprints with a dive entry from the turning end of the pool.
- Pool entry into lanes 2 to 7 MUST be "feet first". There shall be no diving into these lanes. Swimmers must circle clockwise, always keeping to the left-hand side of the lane marking.
- The 25m non-competition pool is **not available** for the duration of the meet.

Time Keeping Allocations

Please be willing to support other club's time keeping allocations if needed.
