President's Welcome

Caribee Swimming Club welcome all swimmers, clubs, coaches and supporters to the 2025 CAPRICORN 13&U SHORT COURSE.

Thank you to all who have made the effort to travel to Capricorn 13&U SC – your support and involvement are critical to this event. We also greatly appreciate the continued support of local clubs and recognise that your attendance and participation is an important contribution to the success of the carnival.

Caribee Swimming Club wishes the very best to all swimmers. Our aim is to create a development meet that provides all junior & novice competitors with an ideal opportunity to achieve their goals and enjoy their swimming.

Caribee Swimming Club are very grateful for the support given by the Rockhampton Community through various sponsorships. Without the valued contributions from all Club sponsors the carnival would not be possible. Caribee believes strongly in supporting local sponsors and encourages competitors and their families to do the same. Please view the sponsor pages for our full list of valued supporters.

We greatly value the Referees & Officials and thank them for giving their time and effort to support this meet. The input & expertise of our Technical Officials is vital in the running of events in our region. Thank you to the many Caribee committee members, parents and helpers – your support & assistance for this meet is fantastic. We also sincerely thank all volunteers throughout the day.

Our club wishes all those in attendance an excellent weekend of junior competition and enjoyment. And to all who have travelled to be here, a safe trip home.

Neal Thomsen
President, Caribee Swimming Club

COMPETITION NOTES

Novice Swimmers: A swimmer [8 years & over] who records a time that is slower than the “novice cut-off time” in the marked events “R” is considered a **Novice Swimmer**. Medals will be awarded to Novice Swimmers only in the event with a 1st, 2nd or 3rd place time that is slower than the novice cut-off time for the event.

Junior Swimmers: Any swimmer [8 years & over] who records a time that is faster than the novice cut-off time in the marked events “R” is considered a **Junior Swimmer**.
