# President's Welcome

Welcome to the 2026 Rilec Electrical - Rocky City Spring Sprint Meet. It is a pleasure to have swimmers, families, coaches and club supporters joining us for a day of racing in Rockhampton.

From our youngest swimmers finding their feet at a meet to those chasing a personal best, I hope everyone leaves today with something to be proud of. Enjoy your races, cheer on your teammates and make our visiting clubs feel welcome.

Thank you to Rilec Electrical, our naming rights sponsor, and to the businesses supporting Rocky City Swimming Club. Your support helps us provide opportunities for local swimmers to compete. Please support these businesses when you can.

To our technical officials, timekeepers and volunteers, thank you for giving your time. There is plenty of work behind a meet like this, and we appreciate everyone who has helped prepare for today or is lending a hand on pool deck.

Good luck to every swimmer. Race well, enjoy the day and thank you for being part of our Spring Sprint Meet.

# Meet Information for Participants

## Entering the facility

Entry to the 2<sup>nd</sup> World War Memorial Aquatic Centre will be through the normal entry/exit area.

***The meet levy charged to all swimmers on Swim Central when entering online replaces the gate fee, so you may enter the facility at your convenience.***

## Seating

Attendees are reminded that no chairs or stools are permitted in or on the grandstand terraces. We recommend bringing a pillow or something comfortable to sit on as pool deck space will be limited due to officiating requirements.

## General Health

If you are feeling sick or unwell, and particularly if you have any COVID or flu symptoms, please do not attend the meet.

## Meet Results: Meet Mobile and Scoreboard

Event results are available via Meet Mobile. The event name is:

### **Rilec Electrical – Rocky City Spring Sprint**

Results displayed on the scoreboard and in Meet Mobile are preliminary only and may be subject to change. Results are not official until they have been uploaded to and verified in Swim Central.

## Food and beverage

Rocky City will be cooking a BBQ from 11am-2pm.

Sausage sandwiches will be available for \$4.

All of your other food and drinks can be purchased from Poppies Cafe. Scan the QR code to jump the queue!

*Poppies*

## Marshalling

To balance volunteer workload, marshalling will be done at a central marshalling tent.

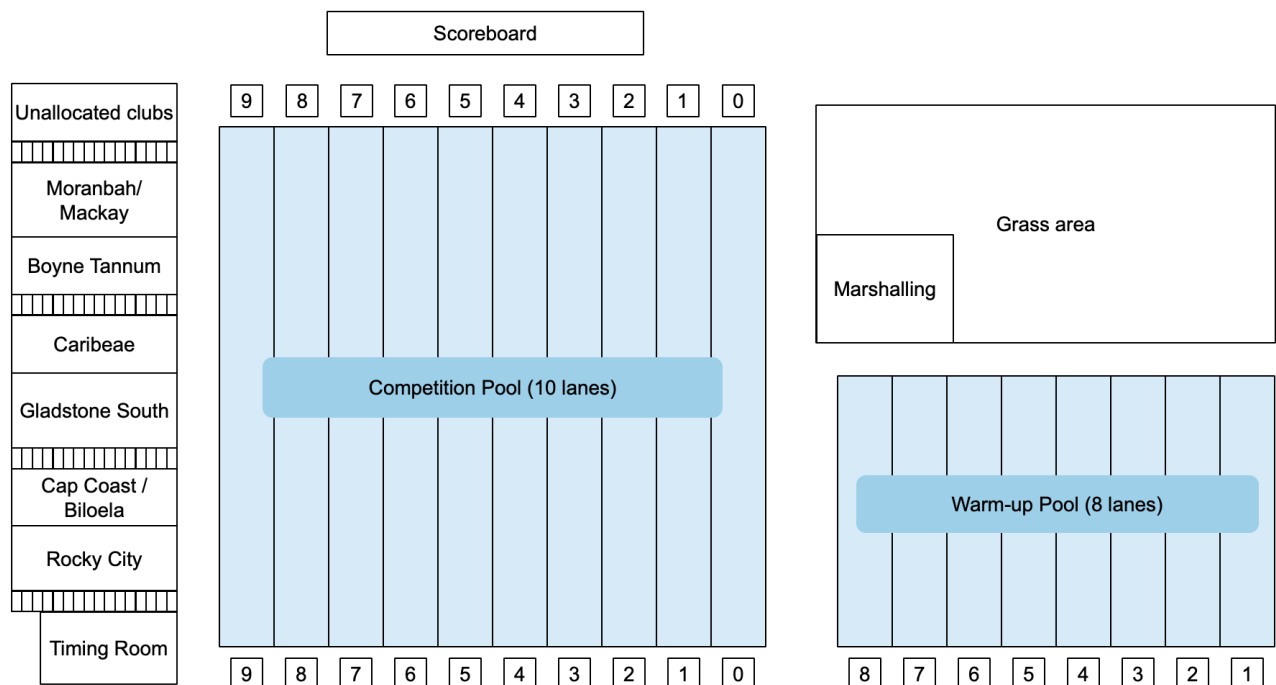

Swimmers should report to the marshalling tent with sufficient time before their race, report to the lane marshal for marking off and will be led to the behind-block seating prior to their race.

## Grandstand allocation

Grandstand seating allocation is in the diagram below. Consideration of other clubs and supporters will be appreciated.

If your club wishes to setup on the grassed area, please confirm with Michelle Kuss prior to the meet.

Please note: all gazebos must be weighted down, not pegged.

## Touchpad Official Split Times

Meets using automatic touchpad timing systems allow for official split times recorded from a dive start to be recognised as personal bests (PBs) in Swim Central.

For example, if you swim a 200m event and your first 50m or 100m split is faster than your existing PB, Swim Central will automatically update your PB after the meet results are processed. The same applies in longer events. For example, in the 1,500m freestyle, your 50m, 100m, 200m, 400m and 800m splits can all be recognised as PBs if they are faster than your previous bests.

To be recognised, the swim must be completed legally. If a swimmer is disqualified (DQ'd), no split times from that swim can be recognised as PBs.

Please note that while split times may count as PBs, they are not eligible for placings, championship points or medals in the shorter event. For example, the fastest 800m split recorded during a 1,500m freestyle will count as an 800m PB, but it cannot be used for the 800m event results, placings or championship points. Only swims entered and completed in the corresponding event are eligible for awards and points.

Occasionally, a split may not be recorded if the touchpad is not activated firmly enough (a "soft touch"). In these cases, the split time is unable to be recognised, even if the swim itself is otherwise valid.

3. Rule tolerance applies only to 7 years and under events. These swimmers will not be disqualified or score points. Standard rules apply from 8 years.
4. A competitor's age is their age on the day of the meet. Competitors cannot swim up an age group in individual events.
5. This is a Long Course competition.
6. The 25m events will finish at the halfway point of the pool and will be manually timed.
7. Automatic touchpad timing will be used. Each lane requires two timekeepers to operate the backup plungers and a manual stopwatch.
8. To comply with the Working with Children (Risk Management and Screening) Act 2000 and Swimming Queensland requirements, all clubs must keep a written record of their nominated timekeepers.

9. The program will be emailed to all competitors before the meet. The program and results will be available on Meet Mobile.

11. Heats or events may be adjusted or amalgamated at the discretion of the Meet Director & Chief Referee.
12. Swimmers should report to the marshalling tent with sufficient time before their race, report to the lane marshal for marking off and will be led to the behind-block seating prior to their race (this condition has been updated from the meet flyer).
13. Over-the-top starts will be used.
14. All swimmers are responsible for considering the published event order when nominating, as additional recovery time is not possible.
15. Backstroke competitors must enter the water feet first.
16. Competitors in the 400m Freestyle should be advised that lap counters and bells are not provided for regular CQ events (this condition has been updated from the meet flyer).
17. Only team managers may approach officials or meet organisers about a discrepancy or query.

## Medals and Prize Money

Medals will be awarded to the fastest three swimmers, boys and girls, in each age group: 8yrs, 9yrs, 10yrs, 11yrs, 12yrs, 13yrs, 14yrs, 15&O and MC.

Medals are awarded in each 25m and 50m event that age group swims.

Swimmers aged 7 years and under receive a participation prize instead of medals.

In the 200m and 400m events, the fastest three swimmers overall for both boys and girls will receive medals.

The 100m events have special award categories (shaded on program) for each stroke. The fastest swimmer in each age category will be awarded \$15 in place of a medal. The second and third placegetters in each category will receive a medal. The categories are 8-9yrs, 10-11yrs, 12-13yrs and 14&O for both boys and girls. These results do not count towards Age Champion points.

### Age Champion Awards

Age Champion points will be awarded for the following age groups: 8yrs, 9yrs, 10yrs, 11yrs, 12yrs, 13yrs, 14yrs, 15yrs & over and MC, for both boys and girls.

Competitors in any designated Age Champion event who place 1st score 6 points, 2nd score 3 points and 3rd score 1 point.

Age Champion points for the 9yrs & over age groups and MC will be awarded in the four 50m individual stroke events: Backstroke, Butterfly, Breaststroke and Freestyle.

Age Champion points for the 8yrs age group will be awarded in the four 25m individual stroke events: Backstroke, Butterfly, Breaststroke and Freestyle.

Competitors do not need to compete in all four designated events to be eligible for Age Champion.

Ties will be decided by the greatest number of first placings, then second placings, then third placings. If a tie remains, joint Age Champions will be declared.

### Multi-Class Awards

MC swimmers may enter MC events as well as any events they are eligible to enter, but may score age champion points in one category only. MC swimmers must advise the meet director if they wish to be considered for the Age Champion instead of MC Champion prior to the meet.

MC events will be scored using the Swimming Australia MC Points Calculator.
